

Scenario	Action	Home Learning Provision – Parents' Guide
<p>1. My child or someone in the household has suspected coronavirus symptoms.</p>	<p>Your child should not attend school until the test result is returned.</p> <p>Negative result – your child can return to school if they feel better.</p> <p>Positive result – if your child tests positive they should not come to school for at least 10 days</p> <p>- if a member of the household tests positive they should not come to school for 14 days</p>	<p>Topic Maps for each term are available on the school website in the class page. Please use these to identify the focus areas of learning for your child's year group.</p> <p>Oak Academy lessons are available for most subject areas. https://www.thenational.academy/</p> <p>Teachers will direct parents to other suitable websites.</p> <p>We will also provide activities that relate to the learning in class. These will be on Google Classroom or Purple Mash. Please note that in these circumstances your child's class teacher will still be working in school. They will ring home once a week and there will be some feedback on the work but this will be minimal.</p> <p>Work is not provided for children who are poorly for short periods of time.</p>
<p>2. My child has been identified as 'Close Contact' with someone who returns a positive test for COVID-19 by NHS test and trace</p>	<p>Your child should not come to school for 14 days.</p>	

<p>3. We have received medical advice that my child must resume shielding</p>	<p>Your child should not come in to school until restrictions have been lifted as advised by the GP.</p>	<p>Please see above. In the event of a child being unable to attend school for a long period of time due to shielding, the class teacher will be available to provide feedback. We will also arrange google meets for them to see their friends during school time if they would like to.</p>
<p>4. There is a confirmed positive test within a class bubble. If Public Health England advise - The entire class is required to quarantine.</p>	<p>Your child will not be able to attend school for the period of time specified by the health protection team (usually 14 days)</p>	<p>Pupils are required to log on to google classroom and access the daily lessons provided in line with year group expectations.</p>

<p>5. There is a full school closure.</p>	<p>Your child will not attend school for the duration of the closure.</p> <p>School will be guided by Government Policy in relation to provision for key worker or vulnerable families.</p>	<p>Teachers will set 2-3 activities each day, with at least 1 Maths and 1 English each day. This will be organised in a similar way to section 5 providing your class teacher is well.</p> <p>At least two lessons a day will be accompanied by video lessons.</p> <p>This work should take 3 hours for Reception and Key Stage 1 children, and 4 hours for Key Stage 2. It will include independent activities, Oak Academy, practical activities, physical activities, research and online tasks. There will be coverage of all other subjects.</p> <p>Pupils are expected to "attend" and if your child is poorly please let the class teacher know by 9am.</p> <p>Please see section 1 should you require further activities for your children.</p> <p>Teachers will give direct feedback and the chat area will be used should children or parents need further support.</p> <p>Pupils are required to engage with this forum and respond to the tasks set.</p> <p>If your teacher is unwell then this work will be set by another member of staff.</p> <p>Once a week your teacher will organise a class circle.</p>
<p>6. Wrap Around care – self isolation or positive test result as above</p>	<p>As above</p>	<p>If staff numbers are deemed to be below that which is safe, then after school and breakfast club will close until such time as it is safe to open.</p>
